

**Clever design. Made for space**

The Stacking Kit allows you to install your dryer above the washing machine, creating more room. A built-in sliding shelf makes it easy to use. Suitable for all AEG front-loading washers and dryers with a depth from 52 to 67 cm.

---

**Product Benefits & Features**

**The Sliding Shelf. Takes the load off of laundry**

The pull-out Sliding Shelf is designed for your convenience. Loading or unloading your machine couldn't be easier.

---

**The Safety Strip. Stack your machines safely**

The Safety Strip in our stacking kit ensures your machines will always be reliably stable and secure. It's easy to stack your washer and dryer, requiring no further fixing.
